

FOR BAREBOAT CHARTER YACHTS

---

ONLINE, ONBOARD  
**ON DEMAND**

Share the moment as it happens with aLG Link, high speed WiFi, on your next charter.

Connect up to 12 WiFi devices on your yacht simultaneously. Whether you are updating Facebook in your cabin or Skyping friends back home while you catch some rays on deck, you will be able to send or receive email and surf the web from where ever your BVI adventure takes you.

DON'T ROAM,  
**LINK.**

[www.alglink.com](http://www.alglink.com)

# WHY LINK?

There is a lot going on in the islands at any given time. aLG Link gives you access to regular weather updates and detailed information regarding upcoming events you may want to attend. We link you to everything the BVI has to offer you on your vacation and provide you access to your email and social networks so you can stay in touch with those who matter most.

Our network provides affordable access to visitors for the length of their trip. So rather than getting tied up in a contract or paying high roaming charges you can subscribe to our network for as long or as short as you like. And, did we mention, no contracts\* and no roaming charges?

**DON'T DUNK YOUR DEVICE ON THE WAY BACK FROM THE BEACH BAR. YOUR YACHT IS YOUR HOTSPOT.**

## STILL NOT CONVINCED?

Here are some additional benefits our *Network On Demand* can deliver to you and your group:

- Connect up to 12 devices simultaneously for browsing at typical 4G speeds.
- Easy to sign up and get connected.
- Up to date Emergency contact info
- Real time weather and sea condition forecast
- Islands maps info – info on anchorages
- Calendar of local island events and Public Holidays
- Discounts at various restaurants, retail stores

**ALL THIS AND MORE AT YOUR FINGERTIPS ONBOARD YOUR CHARTER YACHT.**
